## WHAT IS A DEMOCRACY?

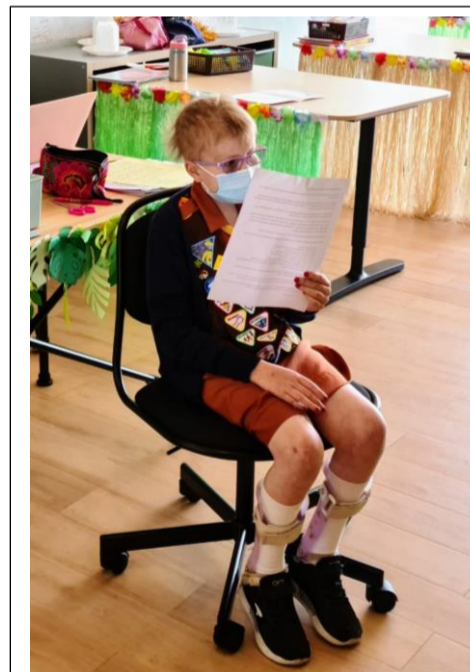

With the Christmas market quickly approaching, our Plus and Advance class needed to decide who should receive the funds raised from the market.

With so many amazing charities, how would they decide which one?

They took to the polls and voted.

The funds raised will go to Tails. (Tails for Animals In Lantau South) <https://www.tailslantau.org/>

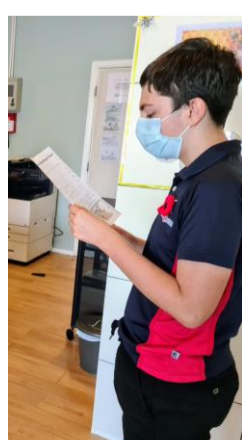

Hannah wore her Brownies uniform and gave a presentation on Remembrance Day to inform us of the contribution the Brownies made during the War. Thank you Hannah.

**“All great speakers were once bad speakers”**

**Ralph Waldo Emerson**

Studies have shown that people’s number one fear is public speaking. Our students are courageously working on their presentation skills and overcoming their fears.

## Happy Halloween

It's moments like this that make our hearts happy.

When our students feel comfortable enough to say to us that "I don't know", or "I don't understand".

This shows bravery, a willingness to learn and grow and that they feel at home in our classroom. This means the world to us.

### Farewell Leo

We miss seeing you every day

Due to an unforeseen family emergency you had to leave, but your wit, kind spirit and amazing mind will be remembered and cherished always.

Who's excited for Christmas?

WE ARE

Join us for our Christmas Market on 9th December 2020.

Please RSVP to Ms Amanda if you haven't already done so.
